## **Notice Concerning Acquisition of “Privacy Mark certification”**

The company has been trying to maintain and to strengthen the system of personal information protection so far. Recently we received recognition from Japan Information Processing Development Corporation (hereinafter referred to as JIPDEC), and obtained the permission of the privacy mark use as described below. We will continue to endeavor to live up to the trust and expectation of clients and other parties involved.

The privacy mark is a system in which JIPDEC, after verifying that a company that applies for privacy mark conforms to JIS Q 15001 (claims postulated of the compliance program concerning personal information protection) and then handles appropriately personal information, grants the company the use of “P-mark” logo.
